

**Welcome** to the 22nd Emergency Abdominal Surgery Course. The first was held in Letterkenny Donegal Ireland in May 2012. Courses have expanded around the World. This course builds on previous success and is further enhanced by a faculty who are at the coal face in Emergency Surgery. It is about passion and optimising ES patient outcomes and Team Comfort

EASC has evolved into a world leading course in Emergency Abdominal Surgery. EASC curriculum focuses on the acute abdomen, in a multidisciplinary shared learning approach. It will bring you a level of discussion you have not heard before and enhance your ability on-duty as a surgeon, gastroenterologist or radiologist; either as a trainee or a specialist. This course is about decision making in patients and common emergencies. The course is endorsed by many societies. It is constantly updated with the latest advances in Emergency Surgery Care.

### **Course Goals**

*Understanding the natural history of key emergency surgery presentations, with emphasis on decision making and operative/intervention/imaging tips and traps to optimise outcome.*

**Who should attend ?-If you treat or manage a patient with an acute abdomen this course is a must for you! Make the most of this ESTES pre course**

Donegal Clinical Research Academy would like to thank RCSI, WSACS and WSES and in particular ESTES for linked into the Valencia Meeting. Also the many faculty over the years for their support without whom we could not share this course with you. SEUBP through the Centre for Personalised Medicine Emergency Surgery Cluster are supporting and Emergency Surgery advancement outcome Program (eSAOP)
