## Polytrauma Care – the Zurich Paradigm

Thursday 16 and Friday 17 September 2021  
Small lecture room OST/training centre, University Hospital Zurich

Satellite programme (online sessions)  
ESTES Polytrauma section

# Welcome

Dear colleagues

We are celebrating an anniversary. The interdisciplinary concept has been steadily developed over the years; this year, it is dedicated to the topic "Medical Care in Extraordinary Situations" (disasters, terror, pandemics).

We are particularly pleased that two special honorary guests have agreed to join us on this occasion:

**Dr Andreas Stettbacher**, Chief Medical Officer, Federal Council  
Commissioner for the Coordinated Medical Services (KSD), Federal  
Department of Defence, Civil Protection and Sport (VBS), Swiss Armed  
Forces, Armed Forces Staff – Medical Services  
**Dr Benedikt Friemert**, Chief Medical Officer, Medical Director of Armed  
Forces Hospital in Ulm, Director of DGU Working Group for Deployment,  
Disaster and Tactical Surgery

Furthermore, we will again be welcoming important representatives of the  
European Society of Trauma and Emergency Surgery (ESTES):  
**Dr Klaus Wendt**, General Secretary of ESTES  
**Dr Radko Komadina**, President of ESTES 2020/21

They will contribute factual information and a panel discussion on the  
topics outlined above.

Hans-Peter Simmen (Prof., Dr)  
Swiss Trauma Board

Jürg Hodler (Prof., Dr)  
Institute of Diagnostic and  
Interventional Radiology

Donat R. Spahn (Prof., Dr)  
Institute of Anesthesiology

Hans-Christoph Pape (Prof., Dr)  
Department of Trauma Surgery

# Thursday 16 September

Small lecture room OST, HOER B 5

**08.30 h** *Registration, coffee*

**09.00 h** **Welcome**

Zünd, Hodler, Pape, Simmen, Pfeifer

**09.10 h** **Concept of polytrauma course** – Pfeifer

ATLS – PTC – ERC – PHTLS – International Cooperation

**Polytrauma Section ESTES** – Pape

**Polytrauma Management – Overview**

**09.20 h** **The internist's viewpoint** – Schaer

**09.40 h** **The surgeon's viewpoint** – Simmen

**10.00 h** **The radiologist's viewpoint** – Alkadhi

**10.15 h** *Coffee break*

**10.30 h** **The neurosurgeon's viewpoint** – Dias

**10.50 h** **The anaesthetist's viewpoint** – Brüesch

**11.10 h** **The intensive care specialist's viewpoint (traumatic brain injury)** – Steiger

**11.30 h** **Rehabilitation** – Sturzenegger, RKB

**11.45 h** **Keynote speech: Disaster management from the viewpoint of the Federal Council Commissioner for the Coordinated Medical Services** – Stettbacher

**12.30 h** *Lunch*

Training centre, auditorium SCHUL A 12

*Switch to practical exercises*
