

# EMERGENCY SURGERY COURSE®

April 22nd-23rd 2022

Oslo, Norway

The ESC® is a joint collaboration between ESTES and AAST that aims to aid surgeons in non-trauma emergency surgery by providing the know-how and decision-making skills necessary for daily practice together with tips and tricks to improve the skills of the general surgeon to deal with surgical emergencies. The course is designed to be interactive throughout using a combination of topic reviews, case discussions, breakout sessions and state of the art videos.
