

On behalf of the Chest Wall Injury Society International Program Committee, you are hereby invited to bring your expertise and join us in Amsterdam to discuss optimal patient care and the science of chest wall injury.

The meeting will include best practice, debate, guidelines, research, colleagues, and more!

Please register today for the

## 2023 Chest Wall Injury Society International Meeting

in Hotel Jakarta Amsterdam, The Netherlands  
on September 4 – 5, 2023.
